

Press Release

Humanitarian Support for Earthquake Victims in Turkey and Syria

Tokyo, Japan - (February 15, 2023) – Daiichi Sankyo Company, Limited (hereinafter, the Company) today announced that the Company will donate JPY 20,000,000 and add donations from employees with matching gifts* to “Japan Platform (JPF)”, an international emergency humanitarian aid organization, to support humanitarian aid for those impacted by the earthquakes in Turkey and Syria.

In addition, the Daiichi Sankyo group of companies are also providing support to those affected by the disaster through donations and employee matching gifts in each country and region.

The Company sincerely desires that the people affected by the disaster in Turkey and Syria will be able to return to a peaceful life as soon as possible.

*Matching gifts is a system in which the company will match the donations their employees make, enabling the employee’s contribution to have more of an impact.

About Daiichi Sankyo

Daiichi Sankyo is dedicated to creating new modalities and innovative medicines by leveraging our world-class science and technology for our purpose “to contribute to the enrichment of quality of life around the world.” In addition to our current portfolio of medicines for cancer and cardiovascular disease, Daiichi Sankyo is primarily focused on developing novel therapies for people with cancer as well as other diseases with high unmet medical needs. With more than 100 years of scientific expertise and a presence in more than 20 countries, Daiichi Sankyo and its 16,000 employees around the world draw upon a rich legacy of innovation to realize our 2030 Vision to become an “Innovative Global Healthcare Company Contributing to the Sustainable Development of Society.” For more information, please visit www.daiichisankyo.com.
